

Our Vision

To see Christ become the hub of every home in our community and beyond. It's a big vision, but we serve a big God. We believe that God will greatly use our efforts for His glory. And it all starts with prayer. We don't want to even attempt to see Christ become the hub of every home without the empowerment of the Holy Spirit. And that's why we begin with prayer.

Thank you for your willingness to pray. Thank you for your heart to see Christ become the hub of every home. Let's attempt great things for God! In our Pray & Go book, there are specific days designated to actually stepping out and actively participating in Evangelism with a partner or group. My partner(s) will be _____.

Day twenty-six focuses on the power of your story! If you are a believer in Christ, you have a story and He will put people in your path that need to hear it! Please read Day twenty-six first and begin to think about and put together the elements of your story. Pray for the courage and desire to share it which we will focus on the days we meet at HCC. Luke 19:40 encourages us to always praise the Lord and give Him thanks for all that He has done for us. "I tell you," He replied, "if they keep quiet, the stones will cry out."
