Disciple Notes

Week of April 20, 2026

evidence from an eyewitness who was actually there and saw and heard what actually took place. It's hard to argue with someone who actually witnessed something happen.

Jesus' disciples were witnesses to all that He'd said and done. The life-changing teachings. The powerful miracles. His death on a cross and His resurrection. They saw and heard it all and He expected them to tell others what they had experienced.

Jesus also calls us to be His witnesses telling the world about what we've seen, heard and experienced in Him. A life changed by the resurrection power of God that brought us back to life through Christ. Even more than that, telling them the reason behind God's working in our lives. He loves us. He wants to be with us. He made a way for us to be forgiven and restored to Him through Jesus. New life following God's direction by faith in God's Son. The gospel.

This week, we're going to look at another appearance by resurrected Jesus, this time to His disciples along with His mission for them. I encourage you to read ahead in Luke 24:36-49 and pray over the passage as we prepare to come together for worship this Sunday. We look forward to seeing you again. Have a great week and bring a friend!

In Christ,
David
