Disciple Notes

Week of June 9, 2025

As a father, I've come to understand and accept that Father's Day isn't quite the same as Mother's Day. Men have come to expect a pair of socks or a tie that we'll never wear on our special day while the ladies in our families get flowers, candy, cards, and gifts. Granted, mothers deserve more than we do for all of the work they do on the other 364

days of the year. Truth is, they probably even cook the meal on Mother's Day. So, I guess we're just lucky to get a day for dads.

Unfortunately, Father's Day isn't always a day of celebration and good memories for many people. Regrettably, there are a number of fathers who are absent from their families or even abusive. For some, Father's Day is a bad reminder of opportunities missed and relationships lost.

But, let me encourage our men. There is nothing quite like the power and impact of a good father or a good man in the lives of our young people. It's understood that nothing can replace the love and nurturing of a devoted mother. But, there's nothing quite like the influence that a loving, encouraging, invested man can have. It may be a father or a teacher or a coach or the neighbor next door who takes the time to talk with and encourage the child that no one else sees.

Men, you make a difference. You make a difference in your family, in your community, at work, and in your church. You have a role to play that changes the course of lives. And, HCC wants to support you as you do it. I see you out there investing in the lives of young people and caring for your families. Let's be the powerful influence for good and for God that He's called us to be.

We look forward to worshiping with you this Sunday on Father's Day. Let's prepare our hearts to enter God's presence. Join us and bring your "one more". Have a great week!

In Christ,
David
