# PRAY AND GO

## INFORMATION

---

HARLAN CHRISTIAN  
CHURCH

Thank you for volunteering to PRAY and GO in our community! Please see the below instructions to ensure that this experience praying for those in our community is as meaningful and God-pleasing to our neighbors as it is for you.

- As a team, decide which week you would like to go out to Pray and Go (please go out with one or more individuals rather than going alone). If you are using the Pray and Go book which is a 30-day journey, there are specific days dedicated to this part of the ministry which include days 15, 20, 25 and 29.
- Pick up your door hangers and tracking sheets from David Johnson's office.
- Go out as a team and PRAY and GO!
- Return your completed tracking sheet and unused door hangers to David Johnson's office the following Sunday after your team's PRAY and GO visits are complete. Your information will then be recorded on our master map to track our progress of how many homes we have prayed over in our community!
- Please use your discretion when hanging door hangers.
- Do not hang a door hanger when: there are unattended kids present, there are pets in the yard, the home has a "no soliciting sign", there is a political advertisement hanging on the door already (so that we are not affiliated with a political candidate), the home is inaccessible (i.e. long driveway, private "keep out" signs, etc.), it is unsafe to walk to the home (i.e. no sidewalk, busy street, icy/snowy driveway).
- For the homes you cannot hang a door hanger, please still pray for that home but note on your tracking sheet that you didn't leave a door hanger and we will make an attempt to get one to them just to let the family know they were prayed for.
