Disciple Notes

Week of November 9, 2026

A common plea in our world and in our time is for justice. We see the guilty go unpunished and the weak and vulnerable exploited. It seems that the rich get richer and the poor get poorer. Or, we watch those who seemingly sacrifice and do good things, helping others but are overlooked and neglected. And, all the while, we wonder where is the justice in this life?

We can never be sure about man's justice. It may be influenced or swayed by someone more powerful or wealthy. It may be tainted by personal opinions or vendettas. What seems to be right may not be what always happens. That's part of living in a broken world.

But that's not true with God's justice. In His goodness and righteousness, God will always do the right thing. It may not be in our timing or even in this life, but He will bring about justice. He can't be swayed. He can't be bought by financial offers or swayed the most powerful arguments made by the most expensive lawyer. God's good and right justice will prevail. Always.

So, we can rest in that. We don't have to try to get revenge or hold on to bitterness over a wrong. We can rest in trusting that God who sees all and knows all will judge righteously. And, Christian, He'll also reward justly. Don't get tired or weary in doing good. When you feel taken advantage of or overlooked, He sees and He rewards in His good and right time. Rest in Him.

We're going to talk about that and more this week as we move into Hebrews 6:4-12. I hope you'll read this challenging passage this week. There's a lot in those verses. We look forward to worshiping with you on Sunday and bring a friend. Have a great week!

In Christ,
David
