# Disciple Notes

*Week of April 27, 2026*

Each year, we take a few weeks at HCC to review our mission, our purpose, our reason for existing. But, this year, we're going to look at it within the context of the final verses of the gospel of Luke as we finish out our sermon series in May.

At HCC, we explain our mission with "E3" which represents Elevate, Engage, and Equip. This year, we're going to look at those elements in a

different order. We'll begin by looking at Equip considering how we go about helping and preparing each other to do what God wants us to do.

Each week, we declare that HCC is God's church which means then that we look to Him for our purpose and mission. We don't make it up. We follow what He says. It's His church. So, the place we go to first is the Scripture. That's a big part of equipping one another—teaching each other to understand and apply the Scripture to our daily lives. One thing that's become very clear as we've studied the life of Jesus in Luke's gospel is that Scripture was and is very important to the Lord. He quoted and He prayed it often which means that He studied and understood it. And, when we look at the last chapter of Luke, we see that He taught it so His followers could understand it like never before. So, if Scripture was that important to Jesus, it should be that important to us. Knowing and applying God's Word is a big part of equipping one another to fulfill God's mission for us as individuals and as a church.

This week, we're going to look at just a couple of verses. I encourage you to read Luke 24:44-45 and pray over the passage as we prepare to come together for worship this Sunday. We look forward to seeing you again. Have a great week and bring a friend!

In Christ,  
David
