Disciple Notes

Week of February 9, 2026

There are some questions and thoughts that transcend time and place. We talked about one of those questions last week. “What happens when we die?” Another of those transcendent questions is “When will the world come to an end?” That’s kind of an assumption, isn’t it? I mean, it assumes that the world will come to an end but most people seem to think it will at some point. Nothing lasts forever, at

least in this life, and that includes this world that we live in.

So, how will it end? There are all kinds of predictions and wild guesses. The world is going to freeze when the sun is extinguished and no longer shines, killing all of life. The earth’s temperature will get too warm and the world will flood from rising oceans caused by melting icecaps. The world will be destroyed by a nuclear war or everyone will be killed by a massive global pandemic. I’m sure there’s plenty of other theories out there.

All interesting ideas but the Bible gives the answer. Although Jesus didn’t give the exact time, He did give us signs to look for and you can even get more details and the actual “how” by reading the last few chapters of the Bible. While we may not know exact dates or times and we may not know exactly how the end times prophecies will be fulfilled, we don’t want to miss the signs. But, the most important thing is to be ready regardless of when the end comes.

We’re going to talk about that this week as we discuss Luke 21:5-38. I hope you’ll read ahead this week as we prepare our hearts and minds to gather together to worship, pray and to study God’s Word. We look forward to worshipping with you on Sunday. Have a great week! And, bring a friend.

In Christ,
David

Thank You

Mark and our family want to thank
everyone one that prayed for us during this
difficult time. One thing we know for sure
is God hears the prayers of His people and
provides comfort and strength during our
time of need. We literally felt His peace and
His presence. We appreciate the wonderful
meals prepared for us as we settled into a
new routine of healing at home. God is so
good and how blessed we are. We love our
church family and can't wait to be back
with you.
