Disciple Notes

Week of March 9, 2026

I've watched a few episodes of a television show called "Undercover Boss". You may have seen it, too. The premise of the show is that the boss of a company or business disguises himself or herself and then visits the business to see how the employees work when they think the boss isn't around. In the process, the boss gets the opportunity to see problems in the company that need to be addressed and

to get to know some of the employees. At the end of the show, the boss reveals his or her true identity and rewards employees who do their job well or takes corrective action against the employees who aren't doing a very good job. It's pretty interesting to see how the employees react when they realize that this person who was working along with them was actually their boss.

Most people didn't recognize Jesus when He came the first time. It wasn't the physical appearance that seemed to throw them off. He wasn't disguised but He didn't fulfill their expectations of who the Messiah would be or what he would do. Israel was looking for a powerful military and political leader who would overthrow the Romans and restore Israel to power and prominence. Even when they put Him on trial and He told them who He was, they still didn't believe it.

But, when He returns, there'll be no doubts about His identity then. The Bible tells us that the entire world will know that the King of Kings and Lord of Lords has arrived!

We're going to talk about that this week as we discuss Luke 22:63-23:25. I hope you'll read ahead as we prepare to gather together to worship, pray and study God's Word. Have a great week! And, bring a friend.

In Christ,
David
