# Disciple Notes

Week of May 4, 2026

would be saved but told no one else. What would we think of someone who did something like that?

Well-known magician and entertainer Jillette Penn is also known for his outspoken atheism. But, interestingly, Penn has publicly criticized Christians who don't share their faith with others. He's quoted as saying, "If you believe that there's a heaven and a hell, and people could be going to hell or not getting eternal life, and you think that it's not really worth telling them this because it would make it socially awkward, ...how much do you have to hate somebody to *not* proselytize? How much do you have to hate somebody to believe everlasting life is possible and not tell them that? I mean, if I believed, beyond the shadow of a doubt, that a truck was coming at you, and you didn't believe that truck was bearing down on you, there is a certain point where I tackle you. And this is *more* important than that."

I think Jesus would agree with Penn. We have the best news ever and Jesus tells us to share it. This week, we're going to look at Luke 24:46-49. I encourage you to read and pray over these verses as we prepare to come together for worship this Sunday. Have a great week and bring a friend. We'll be sharing the best news ever!

In Christ,  
David
